

Please do not change the law as it currently applies to the "Do Not Call List" in New Jersey. I signed up for it when first given the opportunity and now my dinner time, evening hours and besicly the rest of my time at home is not spent running to the phone only to find out that it is someone I don't know trying to sell me something I don't need or want. My wife and I are senior citizens and these annoying calls serve only to upset us.
